ITEM 8.01. OTHER EVENTS

On October 4, 2019, the Board of Directors of KVH Industries, Inc. (the “Company”) authorized a share repurchase program pursuant to which the Company may purchase up to 1 million shares, or approximately 5.5% of the Company’s outstanding common stock.

Under the program, the Company, at management’s discretion, may repurchase shares from time to time through various means, including on the open market, in privately negotiated transactions or block transactions, or through an accelerated repurchase agreement. The Company may elect to make purchases under Rule 10b-18 under the Securities Exchange Act of 1934, as amended, which imposes certain volume limitations, and/or under Rule 10b5-1 under that act, which would permit repurchases to occur during periods when the Company might otherwise be precluded from making purchases under insider trading laws or Company policy. The volume and timing of any such repurchases will depend on a variety of factors, including the availability of shares, price, market conditions, alternative uses of capital, liquidity, general business conditions, satisfaction of debt covenants, and applicable regulatory requirements. The program does not obligate the Company to repurchase any minimum number or dollar amount of shares, and the program may be modified, suspended or terminated at any time without prior notice.
