Dear Fellow Stockholder:

We are pleased to invite you to attend KVH Industries, Inc.'s ("KVH") 2021 Annual Meeting of Stockholders (the "Annual Meeting"), which will take place on [·], 2021 at [·] local time at our world headquarters at 50 Enterprise Center, Middletown, Rhode Island 02842. As part of our COVID-19 precautions, the Annual Meeting may be held solely by means of remote communication rather than in person. We are monitoring the public health, travel, business, and social gathering concerns of our stockholders and employees in light of the ongoing COVID-19 pandemic, as well as any related restrictions and protocols by federal, state, and local governments. If we determine to hold the Annual Meeting by means of remote communication, we will announce the decision to do so in advance and provide details on how to participate in a press release issued by KVH and posting on our website at www.kvh.com. We will also file definitive additional solicitation materials with the Securities and Exchange Commission.

Two of our directors, Mark S. Ain and Stanley K. Honey, are expected to conclude their service on the Board at the Annual Meeting. We thank Mark and Stan for their many years of valuable service and are grateful for their innumerable contributions to KVH.

Your vote will be especially important this year. As you may be aware, VIEX Capital Advisors, LLC and certain of its affiliates (collectively, "VIEX") have notified KVH that VIEX intends to nominate a slate of two nominees for election as directors at the Annual Meeting in opposition to the director nominees recommended by our Board of Directors. As a result, you may receive solicitation materials, including a white proxy card, from VIEX seeking your proxy to vote for VIEX's nominees. Our Board does NOT endorse VIEX's nominees and recommends that you vote **FOR** each of the nominees proposed by the Board.

As further described in the accompanying proxy statement, because VIEX's nominees have failed to provide certain eligibility information as required by the Company's by-laws, our Board has determined that VIEX's nominees are not eligible to stand for election at the Annual Meeting. Accordingly, at the direction of our Board, the person presiding at the Annual Meeting intends to disregard any attempted nomination of VIEX's nominees, and any votes with respect to VIEX's nominees will not be counted at the Annual Meeting.

We encourage you to read the accompanying proxy statement carefully and to vote – regardless of the size of your share holdings – in accordance with the Board's recommendations on each proposal. Every vote is important, and your participation helps us do a better job of listening and acting on what matters to you as a stockholder. Please vote by completing, signing, and dating the enclosed **BLUE** voting instruction form or **BLUE** proxy card and returning it in the enclosed, postage-paid envelope furnished for that purpose. You can also vote over the Internet or by telephone by following the instructions provided on the enclosed **BLUE** voting instruction form or **BLUE** proxy card.

If you have any questions or need assistance with voting your **BLUE** voting instruction form or **BLUE** proxy card, please contact the firm assisting our Board in the solicitation of proxies:

Our COVID-19 Response

Since the onset of the pandemic, we have taken quick and decisive action to adapt our business and practices to ensure the health and safety of our employees while delivering on our fundamental commitment to serving our customers. By the time COVID-19 was declared a pandemic, KVH had a comprehensive action plan in place. As a global technology company, we leveraged our existing IT infrastructure to seamlessly transition most of our corporate staff to work-from-home, enabling us to continue delivering 24/7, uninterrupted service to our customers.

As an essential business for both telecommunications services and defense navigation products, we maintained full operations at both of our factories, making important modifications to allow for social distancing and increased cleaning and sanitization. We also provided protective masks, gloves, hand sanitizer, and other tools to protect the health and safety of our employees.

Given the uncertainty of the pandemic's impact on our business, we also took unprecedented measures to align our costs with the current business environment. We temporarily reduced executive salaries and bonuses, as well as certain non-executive salaries, that were restored in September 2020. We also made targeted reductions to sales and marketing costs, primarily due to the significant reduction in travel and spending on trade shows. With the benefit of these cost-reduction measures and the support of a loan under the Paycheck Protection Program, we were able to avoid layoffs and maintain our workforce during a challenging time, allowing us to continue to support our customers and maintain our focus on executing on our strategic initiatives.

2020 Company Performance

Like many other businesses around the world, the global COVID-19 pandemic has impacted many areas of our business. The operations of our KVH Media Group business, which offers commercially licensed news, music, TV, and movie entertainment for the retail, hotel, and other industries, have been particularly affected due to the global reduction in travel resulting from the pandemic and resulted in an impairment charge of \$10.5 million, which is included in the 2020 operating loss.

Despite the significant challenges posed by the pandemic, 2020 included many successes and progress on our strategic initiatives. We ended our year positively, reporting overall revenue growth and an increase in adjusted EBITDA in the fourth quarter. We continued to migrate customers to our new high-throughput satellite (HTS) network, and we expect to complete the migration later this year, which we expect to reduce annual network operating costs by approximately \$4 million to \$5 million starting next year. We continued to show growth in our subscription-based, Connectivity-as-a-Service (CaaS) AgilePlans offering, continued to develop our sales channel partnerships for KVH Watch, our new Internet of Things (IoT) CaaS offering, which we expect to provide a robust pipeline of future revenue opportunities, and continued to commercialize our photonic integrated chip (PIC) inertial navigation technology.

Thanks to the extraordinary efforts and commitment of our employees, we were able to continue to deliver for our customers despite the challenging environment, and our core business remained strong.

PROXY SUMMARY

COMMITMENT TO GOOD CORPORATE GOVERNANCE

Our Board of Directors monitors best practices in governance and adopts measures it determines to be in the best interest of stockholders. Highlights of our governance practices include:

- ü Following the annual meeting, and assuming our Board's nominees are elected, our Board will include three women (43% gender diversity)
- ü Our directors are elected by majority voting in uncontested elections and by plurality voting in contested elections
- ü The majority of our directors are independent
- ü All of the members of our audit, compensation and nominating and corporate governance committees are independent
- ü We have appointed a lead independent director to serve as a liaison between our independent directors and our Chairman of the Board, who is our President and Chief Executive Officer
- ü Executive sessions of independent directors are held at each regularly scheduled Board meeting
- ü We rotated our independent registered public accounting firm in June 2014
- ü We conduct annual stockholder votes to ratify the selection of our independent registered public accounting firm
- ü The majority of director compensation is in the form of KVH common stock
- ü We have a strong pay-for-performance executive compensation philosophy
- ü We conduct annual non-binding "say on pay" votes regarding our executive compensation program
- ü We do not have any executive employment agreements or change in control agreements
- ü Our independent compensation consultant is hired by the compensation committee
- ü We conduct annual Board and committee self-assessments
- ü We prohibit short sales, transactions in derivatives, hedging, and pledging of KVH securities by our directors and named executive officers

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

We are asking our stockholders to approve, in a non-binding vote, the compensation awarded to our named executive officers for 2020. The Compensation Committee of our Board of Directors oversees our executive compensation program, which is designed to motivate our executives to increase profitability and stockholder returns, to tie pay to performance effectively, and to compete effectively for and retain managerial talent.

We are asking our stockholders to indicate their support for our named executive officer compensation. We believe that our executive compensation program was designed appropriately and is working to ensure that management's interests are aligned with our stockholders' interests to support long-term value creation.

This "say on pay" vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the compensation methodology described in this proxy statement. While this vote is advisory and not binding, the Board and the Compensation Committee will consider the outcome of the vote, along with other relevant factors, when considering future executive compensation decisions.

Additional information regarding the non-binding "say on pay" vote may be found on page 20.

2020 EXECUTIVE COMPENSATION HIGHLIGHTS

The 2020 compensation program for our named executive officers was comprised of three primary elements – base salary, cash-based incentive compensation, and annual equity grants. We believe the compensation program for our named executive officers included key features that aligned the interests of our executives with KVH's business strategies and goals and stockholders' interests.

The mix of target compensation for our named executive officers for 2020 reflects these objectives, as shown in the chart. The percentages shown represent percentages of average total target compensation, not average total actual compensation, and as a result do not match the percentages calculable from actual compensation reflected in the Summary Compensation Table on page 31. For 2020, fixed pay represents the sum of salary, holiday bonus and perquisites; variable ("at-risk") pay represents equity awards and non-equity incentive plan compensation. For more information on the compensation of our named executive officers for 2020, see "Proposal 2 – Advisory Vote on Named Executive Officer Compensation".

Average NEO Compensation Mix

What We Do

- ü Offer competitive compensation that attracts and retains executive talent
- ü Align the interests of our named executive officers with those of our stockholders and reward the creation of long-term value for KVH stockholders through equity grants

- ü Align payout of annual incentives to drivers of stockholder value, such as revenue and adjusted EBITDA
- ü Balance the importance of achieving long-term strategic priorities and critical short-term goals linked to long-term objectives
- ü Align individual performance goals with our business strategy
- ü Cap incentive payments
- ü Benchmark compensation against that of a broad group of companies
- ü Cash and equity awards under our 2016 Equity and Incentive Plan have clawback provisions

- ✗ No repricing of stock options or stock appreciation rights
- ✗ No discounted stock options or stock appreciation rights

PROXY SUMMARY

For 2020, we had a non-equity incentive compensation plan intended to reward our named executive officers for achievement of corporate, business unit and individual performance goals for that year. In May 2020, as a result of the potential adverse impact that the COVID-19 pandemic was anticipated to have on our business, senior management implemented, with the approval of the Compensation Committee, a cash conservation and cost reduction plan (the "Cost-Savings Plan") that included, among other cost-saving measures, temporary reductions in executive base salaries and bonus opportunities for the named executive officers. The reductions took effect on May 11, 2020 and continued until September 25, 2020 (the "Cost-Savings Period"), the point at which we determined that the Cost-Savings Plan was no longer warranted. During the Cost-Savings Period, executive base salaries were reduced by 15% for the CEO and 10% for our other named executive officers. In addition to the temporary reductions in base salary, the portion of each named executive officer's target incentive compensation attributable to individual performance during 2020 (representing 25% of the executive's total target incentive compensation) under our 2020 incentive compensation plan was reduced by 30% during the Cost-Savings Period. In March 2021, after reviewing our overall financial performance for 2020, the Compensation Committee determined not to make any awards with respect to the portion of each named executive officer's incentive compensation target attributable to corporate performance or business unit performance but did award incentive compensation for achievement of individual performance goals. Taking into account the awards for individual performance, the aggregate incentive compensation actually received by our CEO for 2020 represented 20% of his base salary, rather than the targeted 90% of his base salary, and the aggregate incentive compensation actually received by our other named executive officers ranged from approximately 9% to 13% of their respective base salaries, rather than the targeted range of 40% to 60% of their respective base salaries.

Why have I received different color proxy cards?

VIEX has notified the Company that VIEX intends to propose two director nominees for election at the annual meeting in opposition to the director nominees recommended by our Board. The Company has provided you with the enclosed **BLUE** voting instruction form or **BLUE** proxy card. VIEX may send you a white voting instruction form or white proxy card.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING OF STOCKHOLDERS AND VOTING

The Board recommends using the enclosed **BLUE** voting instruction form or **BLUE** proxy card to vote **FOR** each of the Board's nominees for director. Our Board also recommends that you **DISREGARD** the white voting instruction form and white proxy card.

As further described in the "Background of the Solicitation" section of this proxy statement, because the VIEX Nominees have failed to provide certain eligibility information as required by the By-laws, the Board has determined that the VIEX Nominees are not eligible to stand for election at the annual meeting. Accordingly, at the direction of the Board, the person presiding at the annual meeting intends to disregard any attempted nomination of the VIEX Nominees, and any votes with respect to the VIEX Nominees on the white voting instruction form or white proxy card will not be counted at the annual meeting.

What are the methods of voting?

The shares represented by your properly signed **BLUE** proxy card will be voted in accordance with your directions. If you do not specify a choice with respect to a proposal for which our Board of Directors has made a recommendation, the shares covered by your signed **BLUE** proxy card will be voted as recommended by our Board in this proxy statement. We encourage you to vote on all matters to be considered. Our Board urges you NOT to sign or return any white proxy card that may be sent to you by VIEX. If, on the record date, your shares were not held in your name, but rather were held in an account at a broker, dealer, bank or other nominee (commonly referred to as being held in "street name"), you are the beneficial but not record owner of those shares. A beneficial owner should follow the instructions of his, her or its broker, dealer, bank or other nominee in order to vote any shares.

By signing and returning the **BLUE** proxy card in the enclosed postage pre-paid envelope, you are enabling each individual named on the **BLUE** proxy card to vote your shares at the annual meeting in the manner you indicate. We encourage you to sign and return **BLUE** proxy card, even if you plan to attend the annual meeting. In this way, your shares will be voted even if you are unable to attend the meeting. If you received more than one **BLUE** proxy card, it is an indication that your shares are held in multiple accounts. Please sign and return all **BLUE** proxy cards to ensure that all of your shares are voted. Our Board urges you NOT to sign or return any white proxy card that may be sent to you by VIEX.

To vote by telephone, please follow the instructions included on your **BLUE** proxy card. If you vote by telephone, you do not need to complete and mail your **BLUE** proxy card.

To vote on the Internet, please follow the instructions included on your **BLUE** proxy card. If you vote on the Internet, you do not need to complete and mail your **BLUE** proxy card.

Will my shares be voted if I do nothing?

If your shares of our common stock are registered in your name, you must complete, sign, date, and return a proxy card or submit a proxy by telephone or by Internet in order for your shares to be voted.

If your shares of common stock are held in "street name," that is, held for your account by a broker, bank or other nominee, and you do not instruct your broker, bank or other nominee how to vote your shares, then, to the extent your broker, bank or other nominee has forwarded VIEX's proxy materials to you, your broker, bank or other nominee would not have discretionary authority to vote your shares on the proposals to be considered at the annual meeting. If your shares of our common stock are held in "street name," your broker, bank or nominee has enclosed a **BLUE** voting instruction form with this proxy statement. We encourage you to authorize your broker, bank or other nominee to vote your shares by following the instructions provided on the **BLUE** voting instruction form.

We strongly urge you to vote FOR each of our Board's nominees listed in Proposal 1, and FOR Proposals 2 and 3 by using the enclosed BLUE proxy card to vote TODAY by Internet, by telephone or by signing, dating and returning the enclosed BLUE proxy card in the envelope provided. If your shares are held in "street name," you should follow the instructions on the **BLUE** voting instruction form provided by your broker, bank or other nominee and provide specific instructions to your broker, bank or other nominee to vote as described above.

What constitutes a quorum?

A quorum must be present in order for business to be conducted at the annual meeting. Our By-laws provide that a quorum consists of a majority of the shares of common stock issued and outstanding and entitled to vote at the annual meeting present in person or represented by proxy. Shares of common stock represented by a properly completed and returned proxy card (including shares properly voted by telephone or on the Internet) will be treated as present at the annual meeting for purposes of determining the existence of a quorum at the annual meeting. Abstentions and broker non-votes (if any) are

counted as present or represented for purposes of determining the existence of a quorum at the annual meeting.

What is a broker non-vote?

A broker non-vote occurs when a broker does not have discretion to vote on a particular proposal and the broker has not received instructions from the beneficial owner of the shares of common stock as to how to vote on such proposal. As a result, if you do not instruct your broker on how to vote your shares regarding the election of directors, the advisory approval of the compensation of our named executive officers, and the ratification of Grant Thornton LLP as our independent registered public accounting firm for 2021, then your shares may not be voted on these matters. We urge you to instruct your broker about how you wish your shares to be voted.

Who can attend the annual meeting?

Attendance at the annual meeting will be limited to stockholders as of [. . .], 2021, their authorized representatives and guests of the Company. Access to the annual meeting may be granted to others at the discretion of the Company. In accordance with the Company's security procedures, all persons attending the annual meeting must

present picture identification along with proof of ownership. If you are a stockholder of record, please be prepared to provide the top portion of your **BLUE** proxy card. If you hold your shares in "street name," you will need to provide proof of ownership, such as a recent account statement or letter from your bank, broker, or other nominee. Cameras and recording devices will not be permitted at the annual meeting.

Even if you plan to attend the annual meeting, we strongly urge you to vote in advance by completing, signing, and dating the enclosed **BLUE** voting instruction form or **BLUE** proxy card and returning it in the postage-paid envelope provided or by voting via the Internet or by telephone.

Is a list of registered stockholders available?

The Company's list of stockholders as of the close of business on the record date will be available for inspection by the Company's stockholders for at least ten days prior to the annual meeting. If you want to inspect the stockholder list, please call the office of the Secretary at (401) 845-8102 to schedule an appointment during ordinary business hours. The stockholder list will also be open to the examination of any stockholder during the annual meeting at the place of the meeting.

What vote is required for approval? What is the effect of abstentions and broker non-votes on each of the proposals?

Proposal	Vote Required for Approval	Effect of Abstentions and Broker Non-Votes
Proposal 1 – To elect two nominees as Class I directors for a three-year term expiring in 2024	The affirmative vote of a majority of the votes cast.	Abstentions will have no effect on the outcome of the election of directors. Broker discretionary voting is not permitted, and broker non-votes will have no effect on the outcome of this proposal.
Proposal 2 – To approve, on an advisory (non-binding) basis, the compensation of our named executive officers	The affirmative vote of a majority of the votes cast.	Abstentions will have no effect on the outcome of the proposal. Broker discretionary voting is not permitted, and broker non-votes will have no effect on the outcome of this proposal.
Proposal 3 – To ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm for 2021	The affirmative vote of a majority of the votes cast.	Abstentions will have no effect on the outcome of the proposal. Broker discretionary voting is not permitted if VIEX delivers its proxy materials to your broker, bank or other nominee on your behalf. If VIEX does not provide your broker, bank, or other nominee with solicitation materials, your broker, bank, or other nominee will be able to vote your shares with respect to this proposal. Broker non-votes (if any) will have no effect on the outcome of this proposal.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING OF STOCKHOLDERS AND VOTING

It will NOT help elect our Board's nominees if you sign and return a white proxy card sent by VIEX. Doing so will revoke any previous vote you may have cast on KVH's BLUE proxy card. We encourage you to vote FOR each of the Board's nominees on our BLUE voting instruction form or BLUE proxy card and to DISREGARD, and not return, any white voting instruction form or white proxy card that you receive from VIEX.

Pursuant to our By-laws, written notice by stockholders of qualifying nominations for election to the Board at the annual meeting must have been received by February 4, 2021. We did not receive any such nominations, other than the nominations from VIEX, and no other nominations for election to the Board may be made by stockholders at the annual meeting.

However, as further described in the "Background of the Solicitation" section of this proxy statement, because the VIEX Nominees have failed to provide certain eligibility information as required by the By-laws, the Board has determined that the VIEX Nominees are not eligible to stand for election at the annual meeting. Accordingly, at the direction of the Board, the person presiding at the annual meeting intends to disregard any attempted nomination of the VIEX Nominees, and any votes with respect to the VIEX Nominees on the white voting instruction form or white proxy card will not be counted at the annual meeting.

The Board has no reason to believe that Cielo Hernandez and Cathy-Ann Martine-Dolecki will not serve if elected. However, if, for some reason, any of the Board's director nominees are unable to serve, or for good cause will not serve if elected, the persons named as proxies may vote for a substitute nominee recommended by the Board and, unless you indicate otherwise on the BLUE proxy card, your shares will be voted in favor of the Board's remaining nominees. If any substitute nominee is designated prior to the annual meeting, we will file an amended proxy statement that, as applicable, identifies the substitute nominee, discloses that such nominee has consented to being named in the revised proxy statement and to serve if elected, and includes certain biographical and other information about such nominee required by the rules of the SEC.

Who will count the votes?

We have retained Corporate Election Services to assist as the tabulator of the BLUE proxy cards and have retained First Coast Results, Inc. to serve as independent inspector to count and certify votes at the annual meeting.

Who is soliciting my vote?

We are soliciting proxies on behalf of our Board of Directors. In addition, we will reimburse brokers, dealers, banks and other nominees for the out-of-pocket expenses and other reasonable clerical expenses they incur in obtaining instructions from beneficial owners of our common stock. In addition to our solicitation by mail, our directors, officers and employees may make special solicitations of proxies personally or by telephone, facsimile, courier or email. We will pay all expenses incurred in connection with this solicitation. We have also retained D.F. King & Co., Inc. to solicit proxies.

Can I change my vote? How can a proxy be revoked?

Yes. If you are a stockholder of record, you may revoke your proxy at any time before it is voted at the meeting. Only your latest dated proxy will count. In order to revoke your proxy, you must either:

- i sign, date, and return another proxy card with a later date;
- ii provide timely written notice of the revocation of your proxy to our secretary;
- iii voting at a later time via the Internet or by telephone as instructed above; or
- iv attend the meeting and vote at the meeting.

If you hold your shares in street name, you should follow the instructions of your broker, bank or other nominee to change your vote or revoke your voting instructions. Your attendance at the annual meeting will not revoke your proxy unless you specifically request it or you vote at the annual meeting. If you hold shares in street name, your attendance at the annual meeting will not revoke your voting instructions. In the absence of a revocation, shares represented by proxies will be voted at the annual meeting.

If you have previously submitted a white proxy card sent to you by VIEX, you may change your vote by completing, signing, dating, and returning the enclosed BLUE proxy card in the postage-paid envelope provided, or by voting via the Internet or by telephone by following the instructions on the BLUE proxy card. Please note that submitting a white proxy card sent to you by VIEX will revoke votes you have previously made via the Company's BLUE proxy card.

Whether or not you plan to attend the annual meeting, we urge you to complete, sign, date, and return the enclosed BLUE voting instruction form or BLUE proxy card in the postage-paid envelope provided, or vote via the Internet or by telephone as instructed on the BLUE voting instruction form or BLUE proxy card.

As further described in the "Background of the Solicitation" section of this proxy statement, because the VIEX Nominees have failed to provide certain eligibility information as required by the By-laws, the Board has determined that the VIEX Nominees are not eligible to stand for election at the annual meeting. Accordingly, at the direction of the Board, the person presiding at the annual meeting intends to disregard any attempted nomination of the VIEX Nominees, and any votes with respect to the VIEX Nominees on the white voting instruction form or white proxy card will not be counted at the annual meeting.

Who pays for KVH's proxy solicitation?

We will bear the cost of the solicitation of proxies on behalf of the Board of Directors. For additional information regarding the cost of this solicitation, please see the section titled "Additional Information—Costs of Solicitation" on page 48 of this proxy statement.

How can I find the voting results of the Annual Meeting?

Voting results will be tallied by the inspector of election. We will report the preliminary results in a Current Report on

Form 8-K, which we must file with the SEC within four business days following the annual meeting. We will similarly report the final results as soon as practicable following certification by the inspector of election.

Do I have any dissenters' or appraisal rights with respect to any of the matters to be voted on at the annual meeting?

No. Delaware law does not provide stockholders any dissenters' or appraisal rights with respect to the matters to be voted on at the annual meeting.

Who should I call if I have questions about the annual meeting?

BACKGROUND OF THE SOLICITATION

On February 5, 2020, Vintage Capital Management, LLC ("Vintage Capital") filed a Schedule 13D with the SEC disclosing beneficial ownership of approximately 9.39% of the outstanding shares of the Company's common stock.

The next day, on February 6, 2020, Vintage Capital submitted to the Company a notice of Vintage Capital's intent to nominate Robert Tavares and another individual to the Board at the Company's 2020 annual meeting of stockholders (the "2020 Annual Meeting").

On April 8, 2020, Vintage Capital and the Company entered into a cooperation agreement (the "Vintage Capital Cooperation Agreement"). Pursuant to the Vintage Capital Cooperation Agreement, the Company, among other things, agreed to appoint Mr. Tavares to serve as a director of the Company.

At the 2020 Annual Meeting, which was held on June 10, 2020, director Bruce J. Ryan did not stand for re-election and concluded his service as a member of the Board. In addition, Danelle M. Barrett was elected to serve as a director of the Company.

On November 5, 2020, Eric Singer, the managing member of VIEX Capital Advisors, LLC, contacted Brent Bruun, the Company's Chief Operating Officer and then-interim Chief Financial Officer, requesting a call with Mr. Bruun and Martin Kits van Heyningen, the Company's Chief Executive Officer and Chairman of the Board.

On November 6, 2020, Mr. Bruun held a telephone conversation with Mr. Singer. During the conversation, Mr. Bruun discussed with Mr. Singer the Company's business, strategy, operations, and financial performance, and Mr. Bruun addressed certain questions and views conveyed by Mr. Singer. In addition, Mr. Singer represented to Mr. Bruun that VIEX owned more shares of the Company's common stock than Mr. Kits van Heyningen, who held approximately 4.9% of the Company's issued and outstanding shares at the time, as was publicly disclosed. However, according to the preliminary proxy statement filed by VIEX on April 9, 2021 (the "VIEX Preliminary Proxy Statement"), VIEX owned only approximately 2.2% of the Company's issued and outstanding shares as of November 6, 2020, the date Mr. Singer made the representation about his ownership level to Mr. Kits van Heyningen.

On November 16, 2020, Mr. Bruun held a telephone call with Peter T. Shaper to discuss the Company's business and operations.

On November 24, 2020, Messrs. Bruun and Kits van Heyningen held a telephone call with Mr. Shaper to discuss the Company's business and operations.

On January 14, 2021, VIEX Opportunities Fund, LP – Series One ("VIEX Series One"), delivered a notice to the Company indicating its intent to nominate Mr. Singer and John Mutch (the "VIEX Nominees") for election to the Board (the "Nomination Notice"). The Nomination Notice indicated that, as of January 14, 2021, VIEX Series One, together with other entities affiliated with VIEX and Mr. Singer, owned approximately 3.9% of the Company's outstanding shares of common stock.

On January 18, 2021, Mr. Kits van Heyningen held a telephone conversation with Mr. Singer to discuss the Nomination Notice and the Company's business, operations, and strategy. During the discussion, Mr. Singer shared his views on the Company and its performance. Mr. Singer indicated, among other things, that he did not have a specific plan regarding how the Company could improve its performance.

On January 25, 2021, the Board met to discuss the annual meeting, the composition of the Board, the Nomination Notice, and other matters related to VIEX. At the conclusion of the meeting, the Board formed an ad hoc committee comprised of Ms. Barrett and Messrs. Dodez and Kits van Heyningen to manage the response to and discussions with VIEX on behalf of the Board (the "Ad Hoc Committee").

On February 1, 2021, the Ad Hoc Committee met to discuss matters related to VIEX, the composition of the Board, the Nomination Notice, and the Ad Hoc Committee's interest in meeting with the VIEX Nominees to evaluate their candidacies to serve as members of the Board. During the meeting, the Ad Hoc Committee discussed the qualifications and backgrounds of the VIEX Nominees, including the Delaware Court of Chancery's finding in *In re PLX Technology Inc. Stockholders Litigation* that Mr. Singer breached his fiduciary duties to PLX Technology Inc. ("PLX"), and induced other PLX directors to breach their duties by withholding material information from his fellow directors (the "PLX Case"). At the conclusion of the meeting, the Ad Hoc Committee authorized Mr. Dodez, in his capacity as a member of the Nominating and Corporate Governance Committee of the Board (the "Nominating and Corporate Governance Committee"), to schedule interviews with both of the VIEX Nominees, including, in the case of Mr. Singer, to learn more about the PLX Case.

On February 4, 2021, the time period for stockholders to submit director nominations to be considered at the annual meeting pursuant to the By-laws expired.

On February 5, 2021, Mr. Dodez e-mailed both of the VIEX Nominees to schedule interviews regarding their candidacies to serve as members of the Board.

Between February 5, 2021 and February 8, 2021, Mr. Dodez exchanged e-mails with Mr. Singer regarding the VIEX Nominees' willingness to meet with Mr. Dodez and Charles Trimble in their capacities as members of the Nominating and Corporate Governance Committee and the nationally recognized independent executive search firm assisting the Company with its review of potential director candidates (the "Independent Search Firm"). In his communications to Mr. Dodez during this time period, Mr. Singer indicated that he was willing to meet only with all of the independent directors of the Company and only if such meeting was in the context of a potential settlement involving the Company's appointment of the VIEX Nominees as members of the Board.

On February 8, 2021, the Ad Hoc Committee met to discuss the qualifications and backgrounds of the VIEX Nominees, the composition of the Board, and the status of the Board's ongoing refreshment process. During the meeting, the Ad Hoc Committee reviewed background research that had been conducted on the VIEX Nominees and determined that additional information about the backgrounds and experiences of the VIEX Nominees would be necessary to determine their eligibility to serve as directors of the Company.

Later on February 8, 2021, the Company engaged the Independent Search Firm to assist the Company with its review of potential director candidates.

On February 9, 2021, the Board met to discuss, among other things, updates regarding the Company's recent interactions with VIEX.

On February 10, 2021, Mr. Dodez again invited Mr. Singer to interview with members of the Nominating and Corporate Governance Committee in order to permit the Nominating and Corporate Governance Committee to further evaluate Mr. Singer's candidacy for a position as a director of the Company. Mr. Dodez noted that the Nominating and Corporate Governance Committee, on which he and Mr. Trimble served, was responsible for reviewing director candidates and that such committee's charter required the Nominating and Corporate Governance Committee to evaluate candidates nominated by stockholders of the Company.

On February 12, 2021, the Nominating and Corporate Governance Committee met to discuss the composition of the Board, the Company's potential nominees for election to the Board at the annual meeting, and the status of the Board's ongoing refreshment process, including the search being conducted by the Independent Search Firm.

On February 22, 2021, Mr. Singer responded to Mr. Dodez's e-mail of February 10, 2021. Mr. Singer stated that he was willing to meet only with all of the Company's independent directors, subject to the execution of a nondisclosure agreement.

On February 24, 2021, Mr. Dodez e-mailed the VIEX Nominees separately to invite them to meet with members of the Nominating and Corporate Governance Committee. In his e-mail to Mr. Singer, Mr. Dodez noted that the Company did not believe that a nondisclosure agreement would be necessary to Mr. Singer's potential interview, indicating that the Company would neither share non-public information with Mr. Singer nor ask Mr. Singer for non-public information and that Mr. Singer would be under no obligation to answer any question with which he was uncomfortable. Mr. Singer did not respond to Mr. Dodez's e-mail. Mr. Mutch agreed to meet with Messrs. Dodez and Trimble on March 1, 2021.

On February 26, 2021, Mr. Bruun held a telephone call with Mr. Shaper to discuss the Company's business and operations.

On March 1, 2021, Messrs. Dodez and Trimble, in their capacities as members of the Nominating and Corporate Governance Committee, met with Mr. Mutch by videoconference to discuss his candidacy for a position as a member of the Board.

On March 2, 2021, the Ad Hoc Committee met to discuss the meeting that Messrs. Dodez and Trimble held with Mr. Mutch. Mr. Trimble participated in the meeting at the invitation of the Ad Hoc Committee. The Ad Hoc Committee further considered the qualifications, skills, and experience of Mr. Mutch in light of his meeting with Messrs. Dodez and Trimble, and determined that the Independent Search Firm should conduct a further review of Mr. Mutch's candidacy. The Ad Hoc Committee also considered potential options to obtain certain information necessary to assess the candidacies of the VIEX Nominees, including options available to the Company pursuant to the By-laws to request information from the VIEX

BACKGROUND OF THE SOLICITATION

Nominees to address concerns identified by the Ad Hoc Committee in connection with its background research on the VIEX Nominees.

On March 3, 2021, the Nominating and Corporate Governance Committee met with the Independent Search Firm to discuss the status of the Company's ongoing Board refreshment process, including whether candidates with qualifications, backgrounds, and experiences that fit the profile developed by the Nominating and Corporate Governance Committee in light of the current composition of the Board had been identified. The Nominating and Corporate Governance Committee also discussed the meeting that Messrs. Dodez and Trimble held with Mr. Mutch, including the qualifications, skills, and experience of Mr. Mutch. At the conclusion of the meeting, the Nominating and Corporate Governance Committee directed the Independent Search Firm to conduct a further review of Mr. Mutch's candidacy to serve as a member of the Board.

On March 4, 2021, VIEX issued a press release announcing the Nomination Notice. The press release indicated, among other things, that VIEX owned 3.4% of the Company's outstanding shares of common stock, a decrease in VIEX's ownership position relative to what was disclosed to the Company in the Nomination Notice.

On March 5, 2021, the Company, pursuant to the By-laws, sent VIEX a letter (the "Supplemental Request Letter") requesting that the VIEX Nominees provide additional information regarding the eligibility of the VIEX Nominees to serve as members of the Board (the "Eligibility Information"). The Supplemental Request Letter sought additional context that the Board should consider when evaluating the Delaware Court of Chancery's opinion and findings in the PLX Case with respect to Mr. Singer's actions as a director at PLX, and certain other information intended to address questions and concerns identified by the Ad Hoc Committee through its background research on the VIEX Nominees, including information with respect to (i) any denials of D&O insurance coverage, or increased premiums in connection with such coverage, following any legal proceeding, including the PLX Case, (ii) any instances where another board of directors asked any of the VIEX Nominees to resign from the board or refused to re-nominate such individual, (iii) communications or understandings between the VIEX Nominees and Vintage Capital related to the Company or the Board, (iv) whether the VIEX Nominees had received consents from the other public company boards on which they served to serve as a director of the Company, and (v) how each VIEX Nominee intended to manage the responsibilities of serving on multiple public company boards, in addition to the responsibilities of their principal occupations, including in light of the fact that, at the time of the Supplemental Request Letter, Mr. Singer was seeking election at Velodyne Lidar, Inc., both VIEX Nominees were seeking election at Leaf Group Ltd., and both of the VIEX Nominees were already serving on two public company boards. The Supplemental Request Letter requested that the VIEX Nominees provide the Eligibility Information to the Company within five business days.

On March 8, 2021, the Ad Hoc Committee held a meeting to discuss the status of the Company's ongoing Board refreshment process, Mr. Mutch's background and research that had been conducted with respect to his service on public company boards, and the Supplemental Request Letter.

On March 12, 2021, a representative of Olshan Frome Wolosky LLP ("Olshan"), counsel to VIEX, sent representatives of Kirkland & Ellis LLP ("Kirkland"), counsel to the Company, a letter indicating that the VIEX Nominees would respond to any reasonable requests required to be disclosed under the By-laws no later than March 26, 2021 (the "March 12 VIEX Letter"). The March 12 VIEX Letter did not include any of the Eligibility Information.

On March 15, 2021, the Ad Hoc Committee held a meeting to discuss the March 12 VIEX Letter and the status of the Company's ongoing Board refreshment process. With respect to the March 12 VIEX Letter, the Ad Hoc Committee directed Kirkland to send Olshan a letter underscoring that failure to respond to the Supplemental Request Letter on a timely, complete, and accurate basis may constitute failure to comply with the advance notice requirements for director nominations as set forth in the By-laws (the "March 16 Company Letter").

Also on March 15, 2021, Mr. Bruun held a telephone call with Mr. Shaper to discuss the Company's business and operations.

On March 16, 2021, Kirkland sent Olshan the March 16 Company Letter.

On March 22, 2021, the Ad Hoc Committee held a meeting to discuss the status of the Company's ongoing Board refreshment process, the Company's potential slate of director nominees for election to the Board at the annual meeting, the proposed timing for announcing the Company's new director nominees and filing the Company's preliminary proxy statement with the SEC, and the fact that the Company had not yet received a response to the March 16 Company Letter.

On March 25, 2021, the Nominating and Corporate Governance Committee held a meeting to discuss the composition of the Board, the Company's potential nominees for election to the Board at the annual meeting, and the status of the Board's ongoing refreshment process, including the search being conducted by the Independent Search Firm.

On March 26, 2021, Mr. Singer sent a letter to the independent members of the Board (the "March 26 VIEX Letter"). Mr. Singer stated that VIEX believed that the Company's requests for the Eligibility Information in the Supplemental Request Letter were unreasonable. In addition, Mr. Singer stated that VIEX did not believe that the By-laws required the VIEX Nominees to respond to the questions set forth in the Supplemental Request Letter.

On April 5, 2021, the Ad Hoc Committee met to discuss the Company's potential slate of director nominees for election to the Board at the annual meeting and the March 26 VIEX Letter. The Ad Hoc Committee also discussed the possibility of reaching a settlement with VIEX.

On April 9, 2021, Mr. Shaper called Mr. Bruun to discuss the Company's business and operations, including Mr. Shaper's interest in facilitating the Company's entry into the energy sector. Neither during this conversation, nor in any prior conversation with representatives of the Company, did Mr. Shaper indicate that he intended to work with VIEX or be a participant in VIEX's solicitation of proxies for use at the annual meeting.

Also on April 9, 2021, VIEX filed the VIEX Preliminary Proxy Statement.

On April 12, 2021, VIEX filed a Schedule 13D with the SEC, reporting beneficial ownership of approximately 5.3% of the common stock (the "VIEX Schedule 13D").

Later on April 12, 2021, the Ad Hoc Committee held a meeting to discuss the VIEX Preliminary Proxy Statement, the VIEX Schedule 13D, and the status of the Company's ongoing Board refreshment process, including the background and experiences of certain potential nominees for election to the Board at the annual meeting. In addition, the Ad Hoc Committee discussed the terms on which the Company might be willing to settle with VIEX.

On April 19, 2021, VIEX filed an amendment to the VIEX Schedule 13D, disclosing that Bradley L. Radoff and Mr. Shaper had joined VIEX's "group," within the meaning of Section 13(d)(3) of the Exchange Act, for the purpose of seeking the election of the VIEX Nominees to the Board at the annual meeting.

Also on April 19, 2021, the Ad Hoc Committee met to discuss the amendment to the VIEX Schedule 13D filed earlier the same day. The Ad Hoc Committee also discussed the backgrounds and experiences of certain potential nominees for election to the Board at the annual meeting.

On April 29, 2021, the Nominating and Corporate Governance Committee concluded its nearly three-month search process during which it worked with the Independent Search Firm to identify, evaluate and interview director candidates that met criteria developed by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee determined that it would recommend Ms. Dolecki and Ms. Hernandez for nomination to the Board. Ms. Dolecki and Ms. Hernandez were both identified by the Independent Search Firm.

On the same day, the Board held a meeting to discuss the candidacies of Ms. Dolecki and Ms. Hernandez, the annual meeting, and matters related to VIEX. At the meeting, the Board determined that it was in the best interests of the Company and its stockholders for Ms. Dolecki and Ms. Hernandez to serve as the Company's nominees for election to the Board at the annual meeting. In addition, the Board directed representatives of Kirkland to reengage with Olshan regarding the Supplemental Request Letter and to discuss a possible settlement between the Company and VIEX. The Board also concluded that, because the VIEX Nominees failed to provide the Eligibility Information as required by the By-laws, the VIEX Nominees would not be eligible to stand for election at the annual meeting and, pursuant to the By-laws, the person presiding at the annual meeting should disregard any attempted nomination of the VIEX Nominees.

On April 30, 2021, Mr. Shaper contacted Mr. Kits van Heyningen requesting a meeting. Later that day Mr. Kits van Heyningen held a telephone call with Mr. Shaper to discuss his involvement with the VIEX "group" and his interest in working with the Company. Among other things, Mr. Shaper indicated that he had only spoken with Mr. Singer once and that he had never spoken with Mr. Mutch.

Later on April 30, 2021, a representative of Kirkland called a representative of Olshan to discuss the VIEX Nominees' failure to provide the Eligibility Information, the Board's determination that the VIEX Nominees were not eligible to stand for election to the Board at the annual meeting, and a potential settlement between the Company and VIEX. As part of its settlement proposal, the Company offered, among other things, to engage Mr. Shaper as a consultant, and invited VIEX to cooperate in the announcement of the Company's nominations of Ms. Dolecki and Ms. Hernandez. As part of its offer, the Company

BACKGROUND OF THE SOLICITATION

also proposed that Mr. Honey stand for re-election at the annual meeting. The Company did not propose that VIEX be subject to any standstill, voting or other restrictions.

Later on April 30, 2021, in response, VIEX proposed, among other things, that Mr. Shaper join the Board and be part of a newly formed committee of the Board focused on improving financial performance, subject to a one-year standstill agreement. In its proposal, VIEX also insisted that Mr. Honey not stand for re-election.

On May 1, 2021, the Company responded to VIEX's counterproposal. The Company became aware of news reports citing statements from a federal bankruptcy judge in connection with bankruptcy proceedings concerning Speedcast International indicating, among other things, that evidence had been presented that Mr. Shaper had breached his fiduciary duties by refusing to give equal treatment to offers for the debtors that were not for Mr. Shaper's personal benefit. In light of this information, the Company indicated to VIEX that it would not be comfortable adding Mr. Shaper to the Board in a fiduciary capacity. However, the Company indicated in its counterproposal that it would remain willing to engage Mr. Shaper as a consultant, that Mr. Honey would stand for re-election to the Board at the annual meeting but would agree not to serve another term, and that this framework would not require any standstill obligations from VIEX. The Company further indicated that, in light of the fiduciary duty issues that came to light with respect to both Mr. Singer and Mr. Shaper, the Company was not open to adding Mr. Mutch or other individuals suggested by VIEX. VIEX represented to the Company that it was not aware of the foregoing issues with respect to Mr. Shaper.

Later on May 1, 2021, VIEX responded by reverting to its original proposal, except that instead of Mr. Shaper joining the Board, VIEX proposed that Mr. Radoff join the Board. VIEX acknowledged that Mr. Radoff did not have industry experience but indicated that his qualifications included his ownership of shares of the Company's common stock, membership in the VIEX group, and public company board experience.

On May 2, 2021, the Board met to discuss the settlement discussions that occurred on April 30, 2021 and May 1, 2021 and potential approaches to reach a negotiated resolution that would benefit the Company's stockholders. At the Board's direction, the Company made a further proposal to VIEX, pursuant to which, among other things, Mr. Honey would not be re-nominated at the annual meeting, Mr. Shaper would be retained as a consultant to the Company's CEO and to the Board and would be invited to present to the Board on strategic and financial issues, and VIEX would be invited to join in the Company's press release announcing the nominations of Ms. Dolecki and Ms. Hernandez. As part of this proposal, the Company rejected the proposal to add Mr. Radoff to the Board.

Later on May 2, 2021, VIEX rejected the Company's proposal and again reiterated its proposal that Mr. Radoff join the Board. The Company again rejected VIEX's proposal to add Mr. Radoff to the Board. In a final attempt to reach resolution with VIEX, the Company proposed that, in addition to its prior proposal, the Board would agree to form a committee focused on improving financial performance that would itself retain Mr. Shaper as a consultant. Later in the evening of May 2, 2021, VIEX rejected the Company's final offer.

Throughout the settlement discussions between April 30, 2021 and May 2, 2021, the representative of Kirkland indicated to the representative of Olshan that VIEX's continued failure to provide the Eligibility Information did not comply with the By-laws and that the Board had accordingly resolved, pursuant to the By-laws, to disregard any attempted nomination of the VIEX Nominees at the annual meeting.

On May 3, 2021, the Company filed this preliminary proxy statement.

PROPOSAL 1 – ELECTION OF DIRECTORS

Proposal 1 concerns the election of two Class I directors for a three-year term.

Our Board of Directors currently consists of seven directors and is divided into three classes. We refer to these classes as Class I, Class II and Class III. The term of one class of directors expires each year at the annual meeting of stockholders. Each director also continues to serve as a director until his or her successor is duly elected and qualified. This year, the term of our Class I directors, Mark S. Ain and Stanley K. Honey, is expiring.

Our Board has nominated Cielo Hernandez and Cathy-Ann Martine-Dolecki to serve as Class I directors for a three-year term expiring in 2024. Each of our nominees has provided a consent permitting us to name such nominee in this proxy statement and stating that such nominee consents to serve if elected as a director.

VIEX has notified us of its intent to nominate two individuals for election to the Board of Directors at the annual meeting. Our Board recommends that you vote **FOR** each of the Board's nominees at the annual meeting on the **BLUE** voting instruction form or **BLUE** proxy card. Our Board urges you **NOT** to sign or return any white voting instruction form or white proxy card that may be sent to you by VIEX.

Our Board takes its fiduciary duties seriously and seeks to advance the interests of all stockholders. As further described in the "Background of the Solicitation" section of this proxy statement, members of the NomGov Committee sought interviews with the VIEX Nominees on multiple occasions, and Mr. Singer declined to participate in such interviews unless they were conducted under certain limited circumstances. Members of the NomGov Committee interviewed Mr. Mutch on March 1, 2021.

On March 5, 2021, in an effort to determine the eligibility of the VIEX Nominees to serve as members of the Board, and pursuant to the By-laws, the Company sought the Eligibility Information, including, among other things, additional context that the Board should consider when evaluating the Delaware Chancery Court's opinion and findings in the PLX Case with respect to Mr. Singer's actions as a director at PLX, and certain other information intended to address questions and concerns identified by the Ad Hoc Committee through its background research on the VIEX Nominees, including information with respect to (i) any denials of D&O insurance coverage, or increased premiums in connection with such coverage, following any legal proceeding, including the PLX Case, (ii) any instances where another board of directors asked any of the VIEX Nominees to resign from the board or refused to re-nominate such individual, (iii) communications or understandings between the VIEX Nominees and Vintage Capital related to the

Company or the Board, (iv) whether the VIEX Nominees had received consents from the other public company boards on which they served to serve as a director of the Company, and (v) how each VIEX Nominee intended to manage the responsibilities of serving on multiple public company boards, in addition to the responsibilities of their principal occupations, including in light of the fact that, at the time of the Supplemental Request Letter, Mr. Singer was seeking election at Velodyne Lidar, Inc., both VIEX Nominees were seeking election at Leaf Group Ltd., and both of the VIEX Nominees were already serving on two public company boards.

On March 26, 2021, three weeks after the Company delivered the Supplemental Request Letter to the VIEX Nominees, Mr. Singer, on behalf of VIEX, sent the independent members of the Board a letter stating that VIEX believed that the Company's requests for the Eligibility Information in the Supplemental Request Letter were unreasonable and stated that VIEX did not believe that the By-laws required the VIEX Nominees to respond to the questions set forth in the Supplemental Request Letter.

Section 4.8(b) of the By-laws provides, in relevant part, that the Company "may require any proposed nominee to furnish such other information as may reasonably be required by the [Company] to determine the eligibility of such proposed nominee as a Director." The Supplemental Request Letter sought information reasonably required by the Company to determine the eligibility of the VIEX Nominees pursuant to Section 4.8(b) of the By-laws. As of the date of this proxy statement, the VIEX Nominees have declined to provide such information.

Because the VIEX Nominees have failed to provide the Eligibility Information as required by the By-laws, the Board has determined that the VIEX Nominees are not eligible to stand for election at the annual meeting. Accordingly, at the direction of the Board, the person presiding at the annual meeting intends to disregard any attempted nomination of the VIEX Nominees pursuant to Section 4.8(c) of the By-laws, and any votes with respect to the VIEX Nominees on the white voting instruction form or white proxy card will not be counted at the annual meeting. We strongly urge you to vote **FOR** each of the nominees recommended by our Board by using the enclosed **BLUE** voting instruction form or **BLUE** proxy card.

The following material contains information concerning our Board's nominees, including their period of service as a director (if any), their recent employment, other directorships, including those held during the past five years with a public company or registered investment company, and age as of the annual meeting. In addition to the

PROPOSAL 1 – ELECTION OF DIRECTORS

information set forth below, Appendix A sets forth information relating to our nominees, directors, and certain of our officers and employees who are considered "participants" in our solicitation under applicable SEC rules by reason of their position as directors of KVH, as nominees for directors, or because they may be soliciting proxies on

our behalf. For information regarding the beneficial ownership and other interests in the solicitation of our directors, director nominees and certain other persons, see "Security Ownership of Certain Beneficial Owners and Management."

Our Nominating and Corporate Governance Committee determined that Ms. Hernandez should be nominated as a director because of her more than 25 years of experience as a finance professional and her proven track record of leading global teams for technology-driven publicly traded and private companies, including in the Company's core commercial maritime industry. Ms. Hernandez has a strong background in finance, accounting, operations, procurement and information systems.

Cathy-Ann Martine-Dolecki

Age: 62

Director Nominee

Cathy-Ann Martine-Dolecki has been nominated to serve as one of our directors. From November 2020 to December 2020, Ms. Martine-Dolecki was a board member at TESSCO Technologies Incorporated, a publicly traded technology distributor and manufacturer serving the wireless infrastructure and mobile device accessories markets. from the Massachusetts Institute of Technology, a Master of Business Administration from New York University and a Bachelor of Arts in Economics from the College of Mount Saint Vincent. Our Nominating and Corporate Governance Committee determined that Ms. Martine-Dolecki should be nominated to serve as a director because of her more than 40 years of experience in global telecommunications combined with her various executive leadership roles and management experience in the mobile connectivity market.

Proxies will not be voted at the annual meeting for more than two candidates.

Our Board unanimously recommends that you vote **FOR each of the nominees recommended by our Board.**

PROPOSAL 2 – ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

Proposal 2 concerns an advisory vote on our executive compensation program.

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act, and Section 14A of the Securities Exchange Act of 1934, as amended, or the Exchange Act, our stockholders are entitled to vote to approve the compensation of our named executive officers at least once every three years. This proposal is commonly referred to as a "say on pay" proposal.

At our 2017 annual meeting of stockholders, our stockholders voted in favor of holding future "say on pay" votes every year, as recommended by our Board of Directors. At the 2020 annual meeting, approximately 86% of the votes cast on the non-binding proposal to approve our executive compensation for 2019 were voted in favor of approval.

As set forth in more detail in the executive compensation tables and the accompanying narrative disclosure elsewhere in this proxy statement, we have designed our executive compensation program to provide an appropriate mix of fixed and variable pay to balance our need for executive retention and recruitment of talent with rewards for achieving short-term operational goals and driving long-term stockholder value. Our 2020 executive compensation program provided for (a) fixed compensation in the form of salaries designed to provide a competitive baseline of compensation, (b) short-term variable compensation in the form of a cash-based incentive compensation program designed to reward achievement of our financial and business goals for 2020, and (c) long-term variable compensation in the form of equity awards designed to reward our executives primarily through increases in the price of our common stock and align their interests with those of our stockholders. We believe that our executive compensation program appropriately implemented our pay-for-performance philosophy and gave appropriate incentives to our named executive officers to increase stockholder value.

Highlights of our executive compensation program include the following:

- **Base Salary.** Base salaries of our named executive officers provide fixed compensation to reward individual value that the executive brings to us through experience and past and expected future contributions to our success while factoring in our specific needs and the base salaries of executives with comparable responsibilities at similar organizations. With the assistance of Radford Surveys and Consulting, an Aon Consulting Company ("Radford"), the Compensation

Committee reviewed the base salaries of our named executive officers against those of a peer group of companies and other survey data. We refer to the peer group data and the survey data collectively as the survey data. The Compensation Committee believes that aligning the base salaries of our named executive officers with appropriate benchmarks is especially critical to a competitive compensation program, as other elements of our compensation are determined as a percentage of base salary. For 2020, the Compensation Committee concluded that the base salaries of our named executive officers approximated the median for their respective positions, falling on average at 3% above the 50th percentile of the survey data. The Compensation Committee determined that a 3% cost-of-living increase was appropriate for the base salaries of our Chief Operating Officer and Chief Technology Officer and that no adjustment to the Chief Executive Officer's base salary was warranted. Under the Cost-Savings Plan ratified and approved by the Compensation Committee in May 2020 to address the potential adverse impact of the COVID-19 pandemic, the base salaries of our named executive officers were reduced by 15% for the Chief Executive Officer and 10% for our other named executive officers from May 11, 2020 until September 25, 2020.

- **Annual Cash-based Incentive Compensation.** In 2020, we utilized a cash-based incentive compensation plan that tied executive pay to the achievement of our annual corporate and business unit performance goals and certain individual performance goals. This incentive program was intended to award compensation based on the degree to which our actual financial results met the corporate and business unit financial goals of our internal business plan and the degree to which the executives met their individual performance goals. Each executive's target amount of incentive compensation for 2020 represented the same percentage of base salary for 2020 as for 2019. For 2020, the target incentive compensation (as a percentage of base salary) selected for the named executive officers averaged 5% below the median of our survey data.

For 2020, the Compensation Committee approved a formula for calculating the cash-based incentive compensation of our named executive officers, under which 25% of their target incentive compensation was based on the degree of achievement of our mobile connectivity performance goals, 25% was based on the degree of achievement of our inertial navigation performance goals, 25% was based on the degree of achievement of our corporate performance goals and 25% was based on the degree of achievement

of individual performance goals. Under the Cost-Savings Plan ratified and approved by the Compensation Committee in May 2020 to address the potential adverse impact of the COVID-19 pandemic, the portion of each named executive officer's target incentive compensation attributable to individual performance during 2020 under the 2020 incentive compensation plan was reduced by 30% from May 11, 2020 until September 25, 2020.

The Compensation Committee gave equal weight in the formula to performance at the corporate level and at each business unit level because it wished to align the interests of the named executive officers with strong performance at all levels, to promote accountability for budgeted targets and to promote cooperation across the company.

The corporate performance portion of the incentive compensation was based on the degree of achievement of our goals for revenue and earnings before interest, taxes, depreciation, amortization, acquisition-related expenses, equity-based compensation expenses and any one-time charges approved by the Compensation Committee, or adjusted EBITDA. The business unit performance portions of the incentive compensation were each based on the degree of achievement of our goals for the relevant business unit's revenue and business unit profit, which was defined as business unit revenue less cost of goods sold and direct operating expenses attributable to the operation of that business unit, but without deductions for depreciation, amortization, acquisition-related expenses, equity-based compensation expenses, or any one-time charges approved by the Compensation Committee, and without any allocation for corporate engineering, marketing or administrative costs. The Compensation Committee selected revenue, adjusted EBITDA and business unit profit as performance measures because it believed that they measure how well or poorly we performed from a financial standpoint.

In March 2021, after reviewing our overall financial performance for 2020, the Compensation Committee determined not to make any awards with respect to the portion of each named executive officer's incentive compensation target attributable to corporate performance or business unit performance. The Compensation Committee determined that each of the named executive officers achieved 100% of their individual target performance incentive compensation goals for 2020, a portion of which was reduced by the Compensation Committee under the Cost-Savings Plan described above by 30% for the period of time that the COVID-19 related base salary reductions were in place (i.e., from May 11, 2020 to September 25, 2020), resulting in a net payout of 87% of each named executive officer's target bonus attributable to achievement of individual performance goals.

The Compensation Committee purposely establishes corporate and business unit performance goals that are difficult to achieve in order to incent superior performance. In the past four years, we have not awarded any incentive compensation to any of our named executive officers with respect to our corporate or business unit performance goals, excluding certain non-refundable prepayments made in 2019.

- Long-Term Equity Incentives. Equity incentives are designed to reward the achievement of long-term growth in the price of our common stock. The equity grants to our named executive officers in 2020 consisted of both options and restricted stock awards, with four-year vesting periods designed to support the retention of our named executive officers and to encourage the executives to focus on the long-term performance of our stock price. Consistent with prior years, the Compensation Committee decided to grant a mix of restricted stock and option awards in order to balance the benefit of restricted stock awards, which offer greater executive retention while aligning the executive's compensation with stockholder interests, with the benefit of option awards, which more closely align the interests of our executives with the interests of our stockholders because options generate cash value only with stock price appreciation. The Compensation Committee believed that granting equity incentives was the best method of motivating the named executive officers to manage our operations in a manner that is consistent with the long-term interests of our stockholders. The grant date fair values of the equity awards granted to the named executive officers in 2020 ranged from approximately 62% to 79% of the survey data median for their respective positions.
- Pay Practices. We do not use certain executive pay practices that stockholder advocates consider to be problematic. For example, we do not provide extensive perquisites to our named executive officers, we do not have long-term employment agreements, we do not have guaranteed severance programs, and we do not provide any tax gross-ups. We have no guaranteed salary increases.
- Consultant Independence. Our Compensation Committee's independent consultant is retained directly by the Compensation Committee, provides no other services to us, and has provided the Committee with a written attestation of its independence from management.

Stockholders are being asked to vote on the following resolution:

RESOLVED: That the stockholders of KVH Industries, Inc. hereby approve, on an advisory basis, the compensation of

PROPOSAL 2 – ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

the corporation's named executive officers, as described in the executive compensation tables and the accompanying narrative disclosure set forth in the corporation's proxy statement for the annual meeting of stockholders.

Approval of this proposal requires the affirmative vote of the holders of a majority of the votes cast on the proposal at the annual meeting.

As an advisory vote, this proposal is not binding. The outcome of this advisory vote will not determine or overrule

any decision by our directors or officers, create or imply any change to the fiduciary duties of our directors or officers or create or imply any additional fiduciary duties for our directors or officers. However, our Compensation Committee and Board of Directors value the opinions expressed by our stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for named executive officers.

Our Board of Directors unanimously recommends that you vote **FOR the approval of the compensation of our named executive officers, as described in the executive compensation tables and the accompanying narrative disclosure set forth in this proxy statement.**

PROPOSAL 3 – RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Proposal 3 concerns the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2021.

In accordance with its charter, the Audit Committee has selected the firm of Grant Thornton LLP, a registered public accounting firm, to be our independent auditor for the year ending December 31, 2021 and, with the endorsement of the Board of Directors, recommends that stockholders ratify such appointment.

Grant Thornton LLP has served in this capacity since June 6, 2014. We expect that representatives of Grant Thornton LLP will participate in the annual meeting. They will have an opportunity to make a statement if they wish to do so and, if present, will be available to respond to appropriate questions.

A majority of the votes properly cast at the annual meeting will be necessary to ratify the selection by the Audit Committee of our Board of Directors of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2021.

Our Board of Directors unanimously recommends that you vote **FOR the proposed ratification of the appointment by our Audit Committee of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2021.**

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

EXECUTIVE COMPENSATION

Our executive compensation program provides a mix of fixed and variable pay to balance executive retention with rewards for achieving short-term operational performance goals and creating long-term stockholder value and encouraging executive retention. Our 2020 executive compensation program provided for (a) fixed compensation in the form of salaries designed to provide a competitive baseline of compensation, (b) short-term variable compensation in the form of a cash-based incentive compensation program designed to reward achievement of our financial and business goals for 2020 and (c) long-term variable compensation in the form of equity awards designed to reward our executives primarily through increases in the price of our common stock.

2020 Performance Highlights

Like many businesses around the world, we faced challenges related to the pandemic in 2020, but thanks to the extraordinary efforts and commitment of our employees, we were able to deliver for our customers and stockholders and make progress on several strategic initiatives. Set forth below is a list of some of our notable accomplishments in 2020:

- Revenue increased to \$158.7 million in 2020 from \$157.9 million in 2019.
- Net loss from continuing operations in the fourth quarter of 2020 increased to a net loss of \$11.6 million from a net loss of \$2.9 million in the fourth quarter of 2019.
- Non-GAAP adjusted EBITDA from continuing operations in the fourth quarter increased to \$3.5 million, compared to \$0.7 million in the fourth quarter of 2019. For a reconciliation of our non-GAAP adjusted EBITDA from continuing operations to our net loss from continuing operations, as well as other information about this non-GAAP financial measure, please see the section entitled "Non-GAAP Financial Information."
- Consolidated gross profit margin in the fourth quarter increased to 38.7% from 37.4% in the fourth quarter of last year.
- We made important progress in both business segments. In our Mobile Connectivity segment, we continued to show growth in our subscription-based AgilePlans service, which is a key driver of segment revenue. Our Inertial Navigation segment benefitted from healthy demand for our TACNAV products. Increased product revenue combined with cost containment measures contributed to segment operating margin of 12.2% for 2020, compared to 8.3% in 2019.
- We preserved our liquidity by making temporary expense reductions and through savings from pandemic-related restrictions, resulting in net cash used in operations of just \$0.2 million in the fourth quarter, compared to \$1.9 million for the fourth quarter of 2019.
- We commercialized our photonic integrated chip technology (PIC) for use across our FOG products, enabling us to provide a broader range of FOG performance for different applications, including autonomous vehicles.
- We continued to transition customers to our new, higher-efficiency HTS network. This network now serves the majority of our subscriber base, and we are seeking to migrate the remainder of our legacy customers to this new network by the end of 2021.
- We announced a number of new partners for KVH Watch, our IoT Connectivity-as-a-Service solution, further developing our pipeline for future revenue opportunities.

For 2019, also reflects non-refundable, pre-paid portions of non-equity incentive plan compensation for 2019 determined and paid in March 2019. For more information, see note (4) below.
- (2) Amounts shown do not reflect compensation actually received by the named executive officer. Instead, the amounts shown represent the aggregate grant date fair value, computed using the closing price of our common stock on the date of grant in accordance with Accounting Standards Codification 718, Compensation – Stock Compensation (ASC 718), of restricted stock awards granted during each year, excluding the impact of estimated forfeitures related to service-based vesting conditions.
- (3) Amounts shown do not reflect compensation actually received by the named executive officer. Instead, the amounts shown represent the aggregate grant date fair value, computed using the Black-Scholes option pricing model in accordance with ASC 718, of options granted during each year, excluding the impact of estimated forfeitures related to service-based vesting conditions. The assumptions made to determine the value of these awards are set forth in Note 7 of our Consolidated Financial Statements included in our annual report on Form 10-K for the year ended December 31, 2020, as filed with the SEC on March 3, 2021.
- (4) For 2020, the table reflects amounts that were earned under our management incentive compensation plan for 2020 performance and that were determined and paid in March 2021. For 2019, the table reflects amounts that were earned under our management incentive compensation plan for 2019 performance that were determined and paid in March 2020. In addition, a portion of each executive's incentive compensation (representing 25% of the executive's original target incentive compensation amount) was pre-paid in March 2019. Because those amounts were not refundable, they are reported in the "Bonus" column rather than the "Non-Equity Incentive Plan Compensation" column.
- (5) Reflects the value of 401(k) matching contributions and automobile and housing allowances. Mr. Kits van Heyningen's automobile allowance was \$15,360 and \$12,852 for 2020 and 2019, respectively. Mr. Bruun's automobile and housing allowance was \$15,000 for both 2020 and 2019. Mr. Balog's automobile allowance was \$6,000 for both 2020 and 2019. Our named executive officers did not receive any other perquisites or personal benefits.

Under the 2016 Plan, each share issued under awards other than options and stock appreciation rights reduces the number of shares reserved for issuance by two shares (but reduces the maximum annual number of shares that may be granted to a participant only by one share), and each share issued under options or stock appreciation rights reduces the number of shares reserved for issuance by one share.

The following table does not reflect grants from January 1, 2021 through the record date of the annual meeting of 149,257 restricted stock awards with a weighted-average grant-date fair value of \$12.68 per share, nor does it reflect grants during that period of non-qualified stock options to purchase an aggregate of 479,091 shares of common stock at a weighted-average exercise price of \$12.68 per share.

The restricted stock awards and stock options reflected in the table were granted on the following terms as determined by the Compensation Committee: (a) in the case of restricted stock awards, the grantee received the restricted stock award without payment of cash consideration, and (b) in the case of stock options, the exercise price per share of the stock option was equal to the closing price of our common stock on the Nasdaq Global Select Market on the date of the grant.

Delinquent Section 16(a) Reports

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors and persons who beneficially own more than ten percent of our common stock to file reports of ownership and changes in ownership with the SEC. SEC regulations require executive officers, directors and greater-than-ten-percent stockholders to furnish us with copies of all Section 16(a) forms they file.

Based solely upon a review of Forms 3, 4, and 5, and amendments thereto, furnished to us with respect to 2020, we believe that all Section 16(a) filing requirements applicable to our executive officers, directors and greater-than-ten-percent stockholders were fulfilled in a timely manner, except that Robert Tavares did not file a Form 4 to report one transaction and each of Danelle Barrett and Robert Tavares did not timely file a Form 4 to report one transaction.

BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

Director Independence

A majority of our directors are independent directors under the rules of the Nasdaq Stock Market. Our Board of Directors has determined that our independent directors are Messrs. Ain, Barrett, Dodez, Honey, Tavares and Trimble. Our Board of Directors had previously determined that Bruce Ryan, who during 2020 served as one of our directors until his term expired on the date of our 2020 annual meeting of stockholders, was also an independent director.

Board Meetings

During 2020, our Board of Directors met four times. Each incumbent director attended at least 75% of the total number of meetings held by the Board and the committees of the Board on which they served during 2020. To the extent reasonably practicable, directors are expected to attend Board meetings, meetings of committees on which they serve, and our annual meeting of stockholders. Last year, one of the seven individuals then serving as directors attended the annual meeting.

Board Leadership Structure

Martin A. Kits van Heyningen currently serves as our President, Chief Executive Officer and Chairman of the Board. The Board has determined that, at present, combining the positions of Chairman of the Board and Chief Executive Officer serves the best interests of KVH and our stockholders. The Board believes that the CEO's extensive knowledge of our businesses, expertise and leadership skills make him a more effective Chairman than an independent director.

The functions of the Board are carried out by the full Board, and when delegated, by the Board committees. The Board has delegated significant authority to the Audit, Compensation and Nominating and Corporate Governance Committees, each of which is comprised entirely of independent directors. The independent directors typically meet in an executive session at regularly scheduled Board meetings and additional executive sessions may be convened at any time at the request of a director.

The independent directors have designated Mr. Ain to serve as our Lead Independent Director. The Lead Independent Director will, among other functions, preside at all meetings of the Board at which the Chairman is not present and will serve as a liaison between the CEO and the independent

directors. The Lead Independent Director also presides at executive sessions of the independent directors.

Risk Management

Our Board of Directors administers its risk oversight role both directly and through its Committee structure. The Board consists of only seven directors, six of whom are independent directors and one of whom is our President and CEO. Of the six independent directors, three serve on each of the three principal Board committees, which makes them knowledgeable about the aspects of our business under the jurisdiction of those committees. The Board's Audit Committee meets frequently during the year and discusses with management, our CFO and our independent auditor: (a) current business trends affecting us; (b) the major risk exposures that we face; (c) the steps management has taken to monitor and control these risks; and (d) the adequacy of internal controls that could significantly affect our financial statements. The Board also receives regular reports from senior management about business plans and opportunities, as well as the challenges and risks associated with implementing those plans and taking advantage of new opportunities.

Board Committees

Our Board of Directors has three standing committees: the Audit Committee, the Nominating and Corporate Governance Committee, and the Compensation Committee. Each member of the Audit Committee, the Nominating and Corporate Governance Committee, and the Compensation Committee meets the independence requirements of the Nasdaq Stock Market for membership on the committees on which he serves. The Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee each have the authority to retain independent advisors and consultants. We pay the fees and expenses of these advisors. Our Board of Directors has adopted a written charter for each of the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee. We have made each of these charters available through the Investors Relations page of our website at <https://ir.kvh.com/investor-resources/committee-composition>.

Audit Committee

As of December 31, 2020, our Audit Committee was comprised of Messrs. Ain, Dodez, Honey and Trimble. Our

Audit Committee provides the opportunity for direct contact between our independent registered public accounting firm and members of the Board of Directors; the auditors report directly to the Committee. The Committee assists the Board in overseeing the integrity of our financial statements, our compliance with legal and regulatory requirements, our cybersecurity program, our independent registered public accounting firm's qualifications and independence, and the performance of our independent registered public accounting firm. The Committee is directly responsible for appointing, compensating, evaluating and, when necessary, terminating our independent registered public accounting firm. Our Audit Committee has established procedures for the treatment of complaints regarding accounting, internal accounting controls or auditing matters, including procedures for the confidential and anonymous submission by our employees of concerns regarding questionable accounting, internal accounting controls or auditing matters. Our Board has determined that Mr. Honey is an Audit Committee financial expert under the rules of the SEC. Our Audit Committee met four times during 2020. For additional information regarding the Audit Committee, please see "Audit Committee Report."

Nominating and Corporate Governance Committee

As of December 31, 2020, our Nominating and Corporate Governance Committee was comprised of Messrs. Ain, Dodez, Honey and Trimble. Our Nominating and Corporate Governance Committee's responsibilities include providing recommendations to our Board of Directors regarding nominees for director and membership on the committees of our Board. An additional function of the committee is to develop corporate governance practices to recommend to our Board and to assist our Board in complying with those practices. Our Nominating and Corporate Governance Committee met once during 2020.

Compensation Committee

As of December 31, 2020, our Compensation Committee was comprised of Messrs. Ain, Honey and Trimble. The Compensation Committee's responsibilities include providing recommendations to our Board regarding the compensation levels of directors, reviewing and approving the compensation levels of executive officers, providing recommendations to our Board regarding compensation programs, administering our incentive-compensation plans and equity-based plans, authorizing grants under our stock option and incentive plans, and authorizing other equity compensation arrangements. Our Compensation Committee met twice during 2020.

Compensation Committee Authority; Delegation. Our Board of Directors has delegated to the Compensation Committee of our Board of Directors the authority to

administer compensation programs for our executive officers and non-employee directors. All principal elements of compensation paid to our executive officers and directors are subject to approval by the Compensation Committee. Specifically, our Board has delegated authority to the Compensation Committee to determine and approve (1) our compensation philosophy, including evaluating risk management and incentives that create risk, (2) annual base salaries, cash-based incentive compensation and equity-based compensation for our executive officers, (3) equity-based compensation for our non-executive employees and (4) the compensation of our non-employee directors, including cash and equity-based compensation. Under the terms of our 2016 Plan, the Compensation Committee may delegate authority to one or more executive officers to grant awards at fair market value to persons who are not subject to Section 16 of the Exchange Act and who are not "covered persons" under Section 162(m) of the Internal Revenue Code of 1986, as amended. The Compensation Committee must specify a limit on the number of awards that may be granted and establish guidelines for the exercise price of any stock option, the conversion ratio or price of other awards and vesting criteria. The Compensation Committee has not delegated any such authority.

Compensation Committee Process; Role of Executives. The base salary, incentive compensation target and equity award for each executive, together with the annual cash-based incentive compensation plan for all executives, have historically been established within the first quarter of each fiscal year at meetings of the Compensation Committee held for this purpose. These meetings generally follow one or more informal presentations or discussions of our financial performance, including achievement of performance targets, for the prior fiscal year and an internal business plan for the then-current fiscal year for goal-setting purposes. In 2019 and 2020, equity awards were granted in the second quarter and third quarter, respectively. The equity awards for 2020 were granted in the third quarter after our stockholders approved an increase in the number of shares reserved for issuance under the 2016 Plan. In deciding the compensation to be awarded to the executive officers other than the CEO, the Compensation Committee typically reviews and evaluates recommendations from the CEO and the CFO. The members of the Compensation Committee discuss these recommendations with the CEO. In deciding the compensation to be awarded to the CEO, the Compensation Committee typically receives a written self-assessment from the CEO and recommendations from the Chairman of the Compensation Committee. The members of the Compensation Committee then discuss the Chairman's recommendations. The CEO is not present at the time of these deliberations. The Compensation Committee may accept or adjust any recommendations,

BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

and the Compensation Committee makes all final compensation decisions.

Role of Compensation Consultant. Since 2005, the Compensation Committee has engaged Radford, an Aon Group company, as its independent compensation consultant to assist in creating an effective and competitive executive compensation program and to advise on related matters. At the instruction of the Compensation Committee, Radford periodically provides comparative market data on compensation practices and programs based on an analysis of executive compensation data, including survey data. Radford, at the direction of the Compensation Committee, also provides guidance on industry best practices. In 2020, Radford advised the Compensation Committee in (1) determining base salaries for executives, (2) determining the targets for total cash-based incentive compensation as a percentage of base salary, and (3) designing and determining individual equity grants for the long-term incentive plan for executives. For purposes of benchmarking our executive compensation relative to market for 2020, the Compensation Committee relied on competitive compensation information compiled by Radford in 2019 and, as recommended by Radford, applied a 3% annual aging factor to 2019 market rates for base salary, cash-based incentive compensation and equity-based compensation in order to generate market rates for 2020. Neither Radford nor any of its affiliates provided any services to us in 2020 other than Radford's services to the Compensation Committee.

Director Candidates and Selection Processes

The process followed by our Nominating and Corporate Governance Committee to identify and evaluate director candidates includes, as necessary, requests to our Board members and others for recommendations, meetings from time to time to evaluate biographical information and background materials relating to potential candidates, and interviews of selected candidates by members of the Committee and other members of our Board. The Committee may also solicit the opinions of third parties with whom the potential candidate has had a business relationship. Once the committee is satisfied that it has collected sufficient information on which to base a judgment, the committee votes on the candidate or candidates under consideration.

In evaluating the qualifications of any candidate for director, the Committee considers, among other factors, the candidate's depth of business experience, reputation, personal integrity, understanding of financial matters, familiarity with the periodic financial reporting process, degree of independence from management, possible

conflicts of interest and willingness and ability to serve. The Committee also considers whether the candidate will add diversity to the Board, including the degree to which the candidate's skills, experience and background complement or duplicate those of our existing directors and serve the long-term interests of our stockholders. In the case of incumbent directors whose terms are set to expire, the Committee also gives consideration to each director's prior contributions to the Board. The minimum qualifications that each director must possess consist of general familiarity with fundamental financial statements, ten years of relevant business experience, no identified conflicts of interest, no convictions in a criminal proceeding during the five years prior to the date of selection and the willingness to execute and comply with our code of ethics. Although the Committee considers diversity as a factor in assessing any nomination, the Board does not have a formal policy with regard to diversity in identifying director nominees. In selecting candidates to recommend for nomination as a director, the Committee abides by our company-wide non-discrimination policy.

The Committee will consider director candidates recommended by stockholders and use the same process to evaluate candidates regardless of whether the candidates were recommended by stockholders, directors, management or others. We suggest that stockholders make recommendations by writing to the Secretary who will in turn forward the nomination to the Nominating and Corporate Governance Committee, in care of our offices, with sufficient information about the candidate, his or her work experience, his or her qualifications for director, and his or her references as will enable the Committee to evaluate the candidacy properly. We also suggest that stockholders make their recommendations well in advance of the anticipated mailing date of our next proxy statement so as to provide our Nominating and Corporate Governance Committee an adequate opportunity to complete a thorough evaluation of the candidacy, including personal interviews. We remind stockholders of the separate requirements set forth in our by-laws for nominating individuals to serve as directors, which we discuss elsewhere in this proxy statement.

In February 2021, the Company retained a leading search firm to assist the Company in its process of identifying new director candidates. The search firm identified and evaluated potential candidates and made recommendations to the Nominating and Corporate Governance Committee regarding such candidates.

Board Evaluation Process

Our Board recognizes that a thoughtful and rigorous evaluation process is critical to maintaining strong Board effectiveness. Consistent with our commitment to sound

corporate governance practices, the Nominating and Corporate Governance Committee oversees a comprehensive annual evaluation of our Board and its committees.

As part of this Board evaluation process, our Board reviews the following:

- Overall Board and committee performance;
- Board composition, including whether the Board has the right mix of skills and experiences to oversee the successful execution of the Company's strategy;
- Board discussion topics, meeting agendas and materials, with the goal of maintaining efficient and effective meetings; and
- Culture and the Board's ability to promote candid discussion within the Board and with senior management.

The process is led by the Chair of our Nominating and Corporate Governance Committee, who conducts one-on-one interviews with each director. Comments from each director are anonymized before sharing with the full Board to ensure candid reporting and a full and frank discussion.

The feedback received during this process is used to facilitate enhancements to the Board's functioning, committee leadership, meetings and, where appropriate, composition.

Corporate Governance

Our board believes that our corporate governance practices have been fundamental to our success. We seek to ensure that good governance and responsible business principles and practices are part of our culture and values and the way we do business. To maintain and enhance our corporate governance, the Board of Directors and the Nominating and Corporate Governance Committee periodically refine our corporate governance policies, procedures and practices.

Majority Voting in Uncontested Director Elections

Our by-laws provide for majority voting in uncontested director elections and plurality voting in contested director elections. A contested election is an election for which our Secretary determines that the number of director candidates (measured as of the date that is ten days before the date on which we file with the SEC our definitive proxy statement for the relevant meeting) exceeds the number of available director positions. Our by-laws require that, in order for a nominee for election to the Board of Directors in an uncontested election to be elected, he or she must receive a majority of the votes properly cast at the meeting. Ballots for uncontested elections allow stockholders to vote

"FOR" or "AGAINST" each nominee and also allow stockholders to abstain from voting on any nominee. Abstentions and broker non-votes will have no effect on the outcome of any election for director. Under our by-laws and in accordance with Delaware law, an incumbent director's term extends until his or her successor is duly elected and qualified, or until he or she resigns or is removed from office. Thus, an incumbent director who fails to receive the required vote for re-election in an uncontested election at an annual meeting would continue serving as a director (sometimes referred to as a "holdover director") until his or her term ends for one of the foregoing reasons. In order to address the situation where an incumbent director in an uncontested election receives more votes "AGAINST" his or her re-election than votes "FOR" his or her re-election, the Board has adopted a policy to the effect that, in order for an incumbent director in an uncontested election to be nominated for re-election, that director should tender a resignation that would become effective only upon both (i) the failure to obtain the requisite vote for re-election and (ii) the acceptance of the resignation by the Board of Directors. If an incumbent director were to fail to obtain the requisite vote for re-election, the Nominating and Corporate Governance Committee (or another appropriate committee) and the Board would consider the resignation in light of the surrounding circumstances. The policy adopted by the Board states that the Board will publicly announce its decision regarding the resignation within 90 days after certification of the results of the applicable annual meeting.

Communications with our Board of Directors

Our Board, including all of the independent directors, has established a process for facilitating stockholder communications with our Board. Stockholders wishing to communicate with our Board should send written correspondence to the attention of our corporate secretary, Felise B. Feingold, KVH Industries, Inc., 50 Enterprise Center, Middletown, RI 02842, USA, and should include with the correspondence evidence that the sender of the communication is one of our stockholders. Satisfactory evidence would include, for example, contemporaneous correspondence from a brokerage firm indicating the identity of the stockholder and the number of shares held. Our secretary will forward all mail to each member of our Board of Directors.

Code of Ethics

We have adopted a code of ethics that applies to all of our directors, executive officers and employees, including our principal executive officer and principal financial and accounting officer. The code of ethics includes provisions

BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

covering compliance with laws and regulations, insider trading practices, conflicts of interest, confidentiality, protection and proper use of our assets, accounting and record keeping, fair competition and fair dealing, business gifts and entertainment, payments to government personnel and the reporting of illegal or unethical behavior.

You can obtain a copy of our code of ethics through the Investor Relations page of our website at <http://kvh.com/ircoe>.

Prohibition on Hedging and Pledging our Stock

We have adopted policies that prohibit our directors, officers and employees from engaging in short selling, transactions in derivatives (such as puts and calls), hedging, and/or pledging with respect to KVH securities. Specifically, our policies prohibit our directors, officers and employees from directly or indirectly purchasing financial instruments (including prepaid variable forward contracts, equity swaps, collars, and exchange funds), or otherwise engaging in transactions, that hedge or offset, or are designed to hedge or offset, any decrease in the market value of KVH securities. These prohibitions apply to all KVH securities, whether held directly or indirectly, including securities we may issue as compensation.

Our policies also prohibit our directors, officers and employees from directly or indirectly pledging, hypothecating, granting any security interest in, or otherwise encumbering, any securities of KVH (including any transaction through a margin account that imposes such an encumbrance).

Certain Relationships and Related-Party Transactions

Pursuant to our Code of Ethics, our executive officers, directors and employees are to avoid conflicts of interest, except with the approval of the Board of Directors. A related-party transaction would be a conflict of interest. Pursuant to its charter, the Audit Committee must review and approve in advance all related-party transactions. It is our policy that the Audit Committee review and approve transactions involving us and "related parties" (which includes our directors, director nominees and executive officers and their immediate family members, as well as stockholders known by us to own five percent or more of our common stock and their immediate family members). The policy applies to any transaction in which we are a participant and any related party has a direct or indirect material interest, where the amount involved in the transaction exceeds \$120,000 in a single calendar year, excluding transactions in which standing pre-approval has

been given. Pre-approved transactions include:

- compensation of directors and executive officers provided that such compensation is approved by the Board of Directors or Compensation Committee or such compensation plan or other arrangement is generally available to full-time employees in the same jurisdiction; and
- transactions where the related party's interest arises solely from ownership of our common stock and such interest is proportionate to the interests of stockholders.

The Audit Committee is responsible for reviewing the material facts of all related-party transactions, subject to the exceptions described above. The Audit Committee will either approve or disapprove the entry into the related-party transaction. If advance approval is not feasible, the transaction will be considered and, if the Audit Committee determines it to be appropriate, ratified at the Audit Committee's next regularly scheduled meeting. In determining whether to approve or ratify a transaction with a related party, the Audit Committee will take into account, among other factors that it determines to be appropriate:

- whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances;
- the business reasons for the transaction;
- whether the transaction would impair the independence of an outside director; and
- the extent of the related party's interest in the transaction.

Except as stated below, as of the date of this proxy statement there have been no reportable related-party transactions since January 1, 2019, nor are there any pending related-party transactions.

Kathleen Keating, the spouse of Mr. Martin A. Kits van Heyningen, serves as our senior director of creative and customer experience. For 2020 and 2019, total individual compensation for Kathleen Keating, based on total salary, bonus, aggregate grant date fair value of stock option awards granted during the year and all other compensation, as calculated in a manner consistent with our Summary Compensation Table for 2020 and 2019, was approximately \$250,813 and \$248,030, respectively.

Siobhan Kits van Heyningen, the daughter-in-law of Mr. Martin A. Kits van Heyningen, was hired in August 2019 as a Service Operations Manager. For 2020 and 2019, total individual compensation for Siobhan Kits van Heyningen, as calculated in a manner consistent with our Summary Compensation Table for 2020 and 2019, was approximately \$103,896 and \$37,234, respectively.

AUDIT COMMITTEE REPORT⁽¹⁾

The Board of Directors appointed an Audit Committee to monitor the integrity of our company's consolidated financial statements, its system of internal control over financial reporting and the independence and performance of our independent registered public accounting firm. The Audit Committee also selects our company's independent registered public accounting firm. Our Board of Directors adopted a charter for the Audit Committee in February 2004, which was most recently revised in February 2017. The Audit Committee currently consists of three independent directors. Each member of the Audit Committee meets the independence requirements of the NASDAQ Stock Market for membership on the Audit Committee.

Our company's management is responsible for the financial reporting process, including the system of internal control over financial reporting, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. Our company's independent registered public accounting firm is responsible for auditing those consolidated financial statements and auditing the effectiveness of internal control over financial reporting. Our responsibility is to monitor and review these processes. We have relied, without independent verification, on the information provided to us and on the representations made by our company's management and independent registered public accounting firm.

In fulfilling our oversight responsibilities, we discussed with representatives of Grant Thornton LLP, our company's independent registered public accounting firm, the overall scope and plans for their audit of our company's consolidated financial statements for the year ended December 31, 2020. We met with them, with and without our company's management present, to discuss the results of their audits of our consolidated financial statements and of our company's internal control over financial reporting and to discuss with them the overall quality of our company's financial reporting as well as the critical audit matters included in their report on our company's consolidated financial statements.

We reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2020 with management and the independent registered public accounting firm.

We discussed with the independent registered public accounting firm the matters required to be discussed by the rules of the Public Company Accounting Oversight Board (PCAOB) regarding communications with audit committees. In addition, we have discussed with the independent registered public accounting firm its independence from our company and our company's management, including the matters in the written disclosures and letter which we received from the independent registered public accounting firm under applicable requirements of the PCAOB. We also considered whether the independent registered public accounting firm's performance of non-audit services for our company is compatible with the auditors' independence, and concluded that the performance of such non-audit services did not impair the auditors' independence.

Based on our review and these meetings, discussions and reports, and subject to the limitations on our role and responsibilities referred to above and in the Audit Committee charter, we recommended to the Board of Directors that our company's audited consolidated financial statements for the year ended December 31, 2020 be included in our company's annual report on Form 10-K for that year.

Pre-Approval Policies and Procedures

Our Audit Committee approves each engagement for audit or non-audit services before we engage our independent registered public accounting firm to provide those services.

STOCKHOLDER PROPOSALS

Proposals received from stockholders are given careful consideration by the Company. Stockholder proposals submitted in accordance with Rule 14a-8 under the Exchange Act are eligible for consideration for inclusion in the Company's proxy statement for the 2022 annual meeting of stockholders if they are received by the Company on or before []. In order for a stockholder proposal submitted outside of Rule 14a-8 to be considered at the 2022 annual meeting of stockholders, such proposal must be received by the Company not later than the last date for submission of stockholder proposals under the By-laws. In order for a proposal (including nominations of directors) to be timely under the By-laws, it must be received not later than the close of business 90 days (i.e., February 3, 2022) nor earlier than 120 days (i.e., January 4, 2022) before the "Specified Date." Under the By-laws, the Specified Date is the first Wednesday in May each

year (unless it is a legal holiday, in which case the Specified Date is the next day following the Specified Date that is not a legal holiday).

In the event that the 2022 annual meeting of stockholders is called for a date that is prior to the Specified Date, and if less than 105 days' notice or prior public disclosure of the date of such annual meeting is given or made, notice of any proposal (including nominations of directors) submitted pursuant to the By-laws by a stockholder to be timely must be received not later than the close of business on the tenth day following the earlier of the day on which notice of the date of such annual meeting is mailed or the day on which public disclosure is made of the date of such annual meeting.

NON-GAAP FINANCIAL INFORMATION

This proxy statement provides our non-GAAP adjusted EBITDA as a supplement to our consolidated financial statements included in our Annual Report on Form 10-K, which are prepared in accordance with generally accepted accounting principles ("GAAP"). Management uses this non-GAAP financial measure, among others, internally in analyzing financial results to assess operational performance. The presentation of this financial measure is not intended to be considered in isolation or as a substitute for the financial information prepared in accordance with GAAP. Our non-GAAP adjusted EBITDA adjusts for specified items that can be highly variable or difficult to predict. Management generally uses this non-GAAP financial measure, among others, to facilitate financial and operational decision-making, including evaluation of our historical operating results, comparison to competitors' operating results, and determination of management incentive compensation. This non-GAAP financial measure reflects an additional way of viewing an aspect of our operations that, when viewed with GAAP net loss and the reconciliation to GAAP net loss, may provide a more complete understanding of factors and trends affecting our business.

Non-GAAP adjusted EBITDA has limitations as a financial measure because it represents net loss before interest income, net, income taxes, depreciation, amortization, stock-based compensation expense, goodwill impairment charge, intangible asset impairment charge, non-recurring inventory reserve, transaction-related and other non-recurring legal fees, other non-recurring costs and foreign exchange transaction gains and losses.

Other companies, including companies in our industry, may calculate this non-GAAP financial measure differently or not at all, which will reduce its usefulness as a comparative measure.

Because this non-GAAP financial measure excludes the effect of items that increase or decrease our reported results of operations, management strongly encourages stockholders to review our consolidated financial statements and publicly filed reports in their entirety. Reconciliations of this non-GAAP financial measure to the most directly comparable GAAP financial measure are presented in the following table.

ADDITIONAL INFORMATION

Stockholders of record on [], 2021 will receive a proxy statement and our annual report to stockholders, which contains detailed financial information about us. The annual report is not incorporated herein and is not deemed a part of this proxy statement.

Eliminating Duplicate Mailings. If you share an address with other stockholders of the Company, you may receive notification that you are being sent only a single copy of the proxy materials (including a copy of this proxy statement and the 2020 annual report), unless your bank, broker or other intermediary that provides the notification receives contrary instructions from the affected stockholders. This practice, permitted under SEC rules and commonly referred to as "householding," is designed to provide extra convenience for stockholders and potential cost savings for companies.

If, at any time, you no longer wish to participate in householding and would prefer to receive a separate set of proxy materials, please notify your broker if your shares of common stock are held in a brokerage account or the Company if you hold registered shares of common stock. We will promptly deliver a separate copy of the proxy materials upon request. You can notify the Company by calling (401) 845-8102 or sending a written request to KVH Industries, Inc., 50 Enterprise Center, Middletown, RI 02842, Attention: Eileen Pribula.

Costs of Solicitation. We are required by law to convene an annual meeting of stockholders at which directors are elected. Because our shares of common stock are widely held, it would be impractical for our stockholders to meet physically in sufficient numbers to hold a meeting. Accordingly, the Company is soliciting proxies from our stockholders. United States federal securities laws require us to send you this proxy statement, and any amendments and supplements thereto, and to specify the information required to be contained in it. The Company will bear the expenses of calling and holding the annual meeting of stockholders and its solicitation of proxies therefor. These costs will include, among other items, the expense of preparing, assembling, printing and mailing the proxy materials to stockholders of record and beneficial owners, and reimbursements paid to brokerage firms, banks and other fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy materials to stockholders and obtaining voting instructions of beneficial owners. In addition to soliciting proxies by mail, directors, officers and employees may solicit proxies on behalf of our Board, without additional compensation, personally or by telephone. We may also solicit proxies by email from stockholders who are our employees or who previously requested to receive proxy materials electronically. As a result of the potential proxy solicitation by VIEX, we may incur additional costs in connection with our solicitation of proxies. The Company has retained D.F. King & Co., Inc. to solicit proxies. Under our agreement with D.F. King & Co., Inc., D.F. King & Co., Inc. will receive a fee of up to \$[] plus the reimbursement of reasonable expenses. D.F. King & Co., Inc. expects that approximately [] of its employees will assist in the solicitation. D.F. King & Co., Inc. will solicit proxies by mail, telephone, facsimile or email. Our aggregate expenses, including those of D.F. King & Co., Inc., related to our solicitation of proxies, excluding salaries and wages of our regular employees, are expected to be approximately \$[], of which approximately \$[] has been incurred as of the date of this proxy statement.
